

Marksheffel Road South Project

Open House October 2, 2012

Public Comments

Major Transportation Issues

- Dangerous Curves
- Speeding/Safety
- Lack of traffic signals at major intersections
- Lack of shoulders/bike lanes
- Commercial traffic/large trucks
- Noise

Suggested Improvements from Public

- Straightening of dangerous curves
 - North of Drennan Road
 - North of Bradley
- Install traffic signals
 - Marksheffel and Fontaine
 - Marksheffel and Peaceful Valley Rd
 - Marksheffel and Peterson AFB E Gate
- Install left turn lanes
- Install bike lane/shoulder
- Re-route commercial traffic
- Install sound barriers
- Enforce speed limits
- Reduce speed limits
- Expand to 4 lane

Other comments

- Expect frequent funeral processions once VA cemetery is opened
- Concerns expressed about how this project complies with the Marksheffel Road alignment as depicted in the current city approved and recorded Annexation Agreement and Master Plan for Banning Lewis Ranch.
- Was expecting presentation from officials – not open house format.
- Concerns over property value with road expansion
